Dear Sir,

As chairman of
committee on works of Art
I take the liberty of writing
you about buying some
paintings by Seignior which
were bought in Paris over
40 years ago and are as
fine as any of the Seignior
hanging in the Louvre
to day. If you care to
add some Seignior to
the collection I will be
glad to sell them to you

Hope that you will consider
this matter and let me hear
from you soon

Yours Truly
Miss Mary W. Ellis

Dear Sir.

Last April you were kind enough to give me information regarding your gallery which I have incorporated in a MS. to be submitted to Mr. Gilder, editor of the Century magazine.

In revising, I would like to add the estimated value of Mr. Corcoran's gift & endowment. May I also ask whether your new school-building is completed, & if so, how much it adds to your accommodation for students.

An early reply will much favor
Yours Respectfully George H. M.

Dear Sir,

I return the stamp you used.

received this morning in regard to the pictures. I am greatly obliged for your courtesy in attending to the matter. I had no thought of asking to have the china taken away, but expected to ask the photographer employed at the Gallery to do the work for me. I will come down soon and attend to it.

Yours with thanks

Dear Sir -

In your kind favor of May 3rd
you said that you thought your photographer charged
\$4. for a negative of the Dargy groups.
I am sorry to say that I cannot afford to pay so much
& I write to ask if you will please ask him what
would be his lowest price for negatives about 3 by
4 inches, size from which lantern slides are made.
I only want the negatives for this purpose, not to
reproduce photos from - The Photographer in Baltimore who
made negatives of the Dargy groups. charged me \$1.50.

Each -

Very truly yours
T. H. Bartlett.
